Dave Wagner, owner of Angle Of Attack Imagery LLC, has a background in freelance video editing, videography, and design work.

He holds a Parts 107 drone pilot license with 3 years of experience and is FAA-approved and owns registered drones. Prior to starting an LLC and working with clients as a freelance multimedia producer, Dave ran a television studio for over a year. He worked to assist his previous employer in redesigning the broadcasting equipment. He then scripted, recorded, and distributed an educational video series to train the community on the type of equipment they have, how to use it, and which vendor to escalate to before deciding to begin a career in freelance media work.
